Here is the rough final draft of my thesis for the National Defense Intelligence College. I'm currently writing the final edits to the paper and will email the final version to you both, hopefully early next week.

Please pardon my numerous typos and let me know what concerns you may have. I've copied my reader, [REDACTED] on this email and she will be able to tell you the specifics of the paper when she returns from her vacation on July 6th. Her desk number is [REDACTED] b6 -2

I apologize that I've cut-it so close with the review process; however, I'm sure [REDACTED] can provide you with the appropriate feedback when she returns. Unfortunately, I will be out of the office this next week. If you need to get a hold of me, please contact me on my mobile phone [REDACTED] or through this email chain. b6 -2

Again, I appreciate your help and hope you have a great weekend.

Thank you!
